infrastructure - water and sewers	FAIL	reduced funding
Citizen Engagement	FAIL	only listens to some

BONUS MARKS

Reduce Developers' Costs by $200 Million	EXCELLENT	make Toronto taxpayers pay
Increase Profits for Builders	EXCELLENT	remove accountability

FEEDBACK

Little Dougie was absent when we discussed affordability, sustainability and livability. He seems to care too much about his developer friends and listens only to them, not others. He gets bossy and his enthusiastic efforts are most helpful to his pals, often making little sense. Dougie's actions hurt others especially those who need the most help.
